HP PREMIER

Showcase your article that will be published in *Hydrocarbon Processing* before the issue goes to print.

HP Premier is one of our newer products for repurposing your content. It was created for companies that already have an article that has been accepted for publication in *Hydrocarbon Processing* magazine but want to increase visibility and impact by having it promoted to our 30,000 e-newsletter subscribers before the issue goes to print.

Shortly before the issue containing your article goes to print, *Hydrocarbon Processing* sends out the HP Premier web-first email announcement allowing readers a sneak peek to that article only.

If you're interested in maximizing the impact of your article in *Hydrocarbon Processing* then all we need is your logo!

GET STARTED

- Fill out the HP Premier form on the back of this flyer.
- Submit your logo
