HYDROCARBON PROCESSING®

LIVE WEBCAST

December 19, 2017 | 9:00 a.m. CST, 10:00 a.m. EST, 3 p.m. UTC

What Does 2018 Hold for the Downstream HPI?

Join the editors of *Hydrocarbon Processing* as they present the downstream's most trusted industry forecast. During the webcast, hydrocarbon processing industry (HPI) professionals will gain expert insight into the 2018 spending and activities of the global HPI. During this live event, the editors will present projections for capital, maintenance and operating expenditures for the refining, petrochemicals and gas processing industries for 2018. They will highlight economic, environmental and industry trends impacting spending for the year ahead. The webcast will also include a Boxscore Construction overview of project activities in the refining, petrochemical and natural gas/LNG industries throughout the world.
