

Leverage *Hydrocarbon Processing's* Digitalization E-newsletter to Promote Your Technology to Qualified Oil & Gas Professionals.

Complete the Form

Fill out the Digitalization order form on the back of this flyer.

Contact Us

Contact your local representative (see listings on back) or Catherine Watkins, Publisher, at Catherine.Watkins@HydrocarbonProcessing.com

The e-newsletter will focus on the digitization of refinery and petrochemical plant operations. This trend is advancing the processing industry to utilize big data, the industrial internet of things (IIoT), advanced software platforms and digital tools to increase operational efficiency, reliability, safety and profitability.

Quarterly e-newsletter banners:

\$2,900 net for top position | \$2,700 net for 2nd position
